Drumkeerin GAA Club Code of Conduct and Best Practice

DRUMKEERIN GAA CLUB

Code of Conduct Policy Statement

Drumkeerin GAA Club is fully committed to safeguarding the well being of its members. We encourage 'best practice' in the playing of our games and we are committed to providing an environment and ethos which will at all times, show respect and understanding for members rights, safety, and welfare.

Young players in particular, deserve to be given enjoyable, safe sporting opportunities, free of abuse in any form. These players have rights which must be respected, and rules that as members, they must accept.

The Code of Behaviour addresses the minimum appropriate levels of behaviour, practice and conduct required from our Young Players, Coaches, Supporters, Parents/Guardians, Referees and Clubs.

Our club is a community-based volunteer organisation promoting Gaelic games, culture, and lifelong participation. We develop and promote Gaelic games as the core of Irish identity and culture.

We are dedicated to ensuring that our family of games and the values we live, enrich the lives of our members, their families, and the community we serve. We are committed to active lifelong participation for all and to providing the best facilities. We reach out to and include all members of our society. We promote individual development and wellbeing and strive to enable all our members to achieve their full potential in their chosen roles. As a club we are fully committed to safeguarding the wellbeing of all club officials, officers, members, mentors, and players.

Every individual in the club should always show respect and understanding for their rights, safety and welfare and conduct themselves in a way that reflects the principles of the club. It is the responsibility of all members to be familiar with the guidelines set forth in the code of conduct and for parents/guardians to explain and enforce this code of conduct with their children.

Generalised Code of Conduct and Best Practice

The full 'Drumkeerin GAA Code of Conduct and Best Practice' will be made available to all members on joining our club and it is also available on our club website. The code is in accordance with the guidelines produced by the Gaelic Athletic Association in their 'Code of Best Practice for Youth Sport', approved for use by the Irish Sports Council and the Sports Council of Northern Ireland. Additional copies are available from the Club Secretary.

The achievement of 'best practice' is dependent on:

- the development of skill and well being through the playing, coaching and promotion of our games
- the adoption of the principles of *fair play* and *good behaviour* at all times
- the development of a positive, constructive, supportive and encouraging team environment
- maximising the sense of achievement, fun and participation in order to develop players to their full potential

Drumkeerin GAA is founded on the core values of mutual respect, valuing each person, and support and encouragement among team members, managers, coaches, mentors and other members of the club.

Our coaching resources and activities are firmly rooted in the local community. We are committed to providing an environment that promotes a 'sense of belonging' in our club and an ethos that will allow players to perform to the best of their ability, free from bullying and intimidation.

Inappropriate behaviour (as laid out in our *Code of Conduct and Best Practice*) by any member of the club (or any person/persons associated with the club) that undermines these values is unacceptable and will be considered a breach of the club's Code of Conduct. Such behaviour will be subject to the disciplinary procedures of the club.

The *Code of Conduct and Best Practice* forms part of our clubs constitution and ethos, and as such, it is part of the rules and regulations that bind the operation of the club and its members.

All persons associated with Drumkeerin GAA are expected to uphold and promote this ethos in all roles that they undertake on behalf of Drumkeerin GAA.

Code of Conduct and Best Practice for Youth Sport

Policy Statement - Mentors

Players First – Winning Second!

A balanced approach to competition can make a significant contribution to the development of young players, while at the same time providing fun, enjoyment and satisfaction. If competition demands are placed on young players too early, excessive levels of pressure and anxiety are placed on them. Often this results in a high level of drop-out from the sport. Club mentors should place the welfare of the person, and retention of players first and competition second.

Code of Conduct

Drumkeerin GAA Club recognises the key role mentors play in the lives and development of young players.

Team coaches, managers, selectors and mentors can ensure that our sport has a beneficial impact when they adhere to the following principles;

Treatment of players:

1. Respect the rights, dignity and worth of **every** player and treat each player equally, regardless of age, gender, ethnic origin, religion, sexual orientation, background or ability.
2. Encourage the development of respect for opponents, officials, selectors, and other coaches, and avoid criticism of mentors and officials.
3. Be positive during coaching sessions so that participants leave with sense of well being and achievement.
4. Be generous with praise and never ridicule or shout at players for making mistakes or for losing a game.
5. Be careful to avoid the “star” system. Each player deserves equal time, opportunity and attention.
6. Do not equate losing with failure. Or failing to perform a skill with failure. Always encourage.
7. Do not use any form of physical force or verbal punishment.
8. Do not use foul or provocative language.
9. Ensure that personnel connected with the team do not speak to another person in a manner that threatens, disparages, vilifies or insults.

Safety & Protection

1. Avoid working alone with children at all times. At least TWO adults must be in attendance with each squad/team at all times for all activities (training and matches). If this is not possible, the activity should be cancelled. (It is important to realise that this is essential for player safety and child protection, and also for the protection of mentors from any misinterpretation or misreporting of actions, and from unfair or malicious accusations.)
2. Make adequate provision for First Aid and do not allow players to perform while injured.
3. Be responsible for setting and monitoring the boundaries between a *working* relationship and *friendship* with players. It is advisable for coaches not to involve young players in their personal life i.e visits to coaches home or overnight stays.
4. Do not allow the use of cameras, videos, camera-phones etc., in changing rooms. The inappropriate use of images of underage players must be reported.
5. If overnight stays are required for matches or trips, players and mentors must observe and sign a separate agreement in accordance with club regulations. For juvenile members, parents must also sign permission forms. No child should be allowed to travel without such a form.
6. Avoid any inappropriate physical contact, or contact which could be misconstrued as such when assisting players to perform a technique or when called upon to perform First Aid.
7. Texts, e-mails, memos and phone calls for players from U17 level and below, must **always** be communicated through parents/guardians.
8. The nature of the relationship between mentors and players is based on trust and confidence. Occasionally, mentors may acquire information of a confidential nature about their players. This information must remain confidential and *except* where abuse is suspected, must not be divulged to a third party.
9. Parents should always be informed immediately when problems arise with young players *except* in situations where informing parents may put the player at risk. In such a situation the relevant club officer(s) should be contacted immediately.
10. When coaching underage girls teams there will be at least one adult female in attendance at all times.
11. All underage coaches must possess current Garda vetting conducted through our club. He/She must also have the mandatory child safeguarding course and be the holder of at least the Foundation level 1 coaching course.

COACHING, COMPETITION, AND OTHER ACTIVITIES

1. Recognise the development needs of young players (avoid excessive training or competition, and adhere to club rules and guidelines in this regard) and ensure players are matched on an individual and team basis.
2. Insist that players under your care respect the rules of the game. Insist *on fair play* and ensure players are aware that you will not tolerate cheating or bullying behaviour.
3. Set realistic (challenging but achievable goals) performance goals.
4. Be punctual, properly attired, and lead by example.
5. Avoid the use of alcohol before training and matches, during events and on trips with young players.
6. Ensure that games, activities and playing equipment are customised to suit the needs of those involved in terms of age, ability, experience and maturity.
7. Ensure players are suitably attired and officially registered with club.
8. Ensure that all dressing rooms, facilities and areas occupied/used by the team (whether at home or away) are not abused or damaged in any way.

KEY PRINCIPLES/ REQUIREMENTS OF MENTORS

1. **Mentors, coaches, selectors and all those associated with Drumkeerin Gaa Club must work within the rules and guidelines laid down in the club's 'Code of Conduct and Best Practice'.**
2. **Each Mentor must familiarise themselves fully with the most updated 'Code of Conduct and Best Practice' and must verify that they have read and will abide by it at the beginning of each season, or on taking up mentoring duties during the season.**
3. **Mentors must also ensure each year (or on joining the club during the year) that all parents of young players are familiar with the full code of conduct, and that young players are made familiar with the young players section of the code.**
4. **Mentors, coaches and selectors must take and adhere to instruction and guidance from the club management in relation to coaching, best practice, and administration of club affairs, and must abide by the decisions of club officers, particularly in the event of any disagreement or dispute.**

Remember that young players play for fun and enjoyment and that skill development, and personal satisfaction have priority over highly structured competition.

Never make winning the primary or sole objective!
